

The name you can trust.....

Cornerstone Equities has been established as a trustworthy, professional investment corporation, specializing in the purchase of real estate properties in distressed condition or being sold due to estate or foreclosure.

We take great pride in our ability to *quickly* and *satisfactorily* transform a potentially unpleasant situation into a favorable one for both the client as well as the attorney.

When a swift closing is desired....

Cornerstone Equities comes through! Since we do not assign contracts but actually purchase all cash, we can easily accommodate closings in as quickly as two weeks.

We have become a valuable asset to those attorneys whose clients were in need of a swift closing. We hope to have the opportunity to do the same for you.

Don't just take our word for it.....
