Most preferred content layout

Rockit 11

Upscale background .
Maybe the color is possibly too dark.

Clean Nav
Section

Clean content layout but should have a Welcome section above the three text areas (See previous slide). At launch of website, Welcome across top. Then, 1) About Us... (Header with click access) Below it, reinforce the social media call to action with icons at top right. 2) Why Choose..., Lastly, 3) Store Location.

Great design style!

Reinforced branding on visuals and headers

Slightly widen content sections to reduce space between them.

Most preferred social media layout. Should be integrated or available on as many pages as possible.

Love the dollar bill concept but I can't read the offer too well.

Most preferred background pattern. Color can be different or lighter teal, gold. This background connects with a laundromat
