

Can you add a purple &/or greenish tint to the bubbles?

Add another large bubble so it looks more like a paw print

Can you use the same font but without these tips?

Can you please make this bubble larger too. Its hard to see my Buddy :)

Rotate entire paw print so its diagonal

Please remove line

What would it look like to have little bubble paws trailing behind the big one?
Stupid? ...just a thought.

Could you please try a more purple less pink color?

Its kind of hard to tell this is a G
