## About Us

We are a Mom & Pop shop, recently relocated from Philadelphia. We are dedicated to serving you the Finest sandwiches that Philly has to offer. Like the rest of the Northeast, Philadelphians are quite proud of our sandwiches, and at Philly's Finest we are committed to giving you an authentic CheeseSteak or Hoagie. We use only the Finest ingredients for our sandwiches. Our CheseSteaks use only hand-sliced rib eye, and our Hoagies exclusively use Dietz & Watson Cold Cuts.

It is our goal to make you feel as if you had just eaten at a deli in Philly. And if you have ever been to Philly, you will find that familiar taste and feel while here. We are not trying to re-invent the wheel. We are simply trying to duplicate the good eats that we grew up with.

We hope you enjoy what we have to offer, and look forward to making you a 'regular'.
