

Trade Show Booth Taglines:

A Trusted Source For All Your Equipment Needs:

- Tanks & Separators
- Tubing & Casing
- Valves & Fittings
- Motors & Pumps
- Wellhead Equipment

Field proven product lines from trusted manufacturers that stand behind their products.

We are a supply company built and owned by oil and gas producers, not salesmen.

In today's business climate of increased government regulations and environmental restrictions, the right equipment selections have never been more important.

Can we sell you cheaper products just to beat our competition's prices....YES, if that is what you want, or you can rely on over 70 years and 3 generations of experience in developing Oil & Gas Properties to guide you.

We specialize in reducing your completion and labor costs with new and innovative products and services....ASK US HOW!

We specialize in inventory management and tracking for highly active drilling and completion programs....ASK US HOW!

We specialize in helping you do business with the best materials and in the most cost efficient manner....ASK US HOW!

We specialize in our service and commitment to our clientsNO NEED TO ASK!
