Jumbo Ice Cube Tray

These jumbo 2" square cubes allow you to make large ice cubes that will melt slower than regular ice and keep your beverage cooler longer.

Use the ice in your favorite beverage.

These ice cubes are perfect to make ice tea or ice coffee.

This tray can be used for making ice, freezing baby food or where ever your imagination takes you.

The Jumbo Ice Cube Tray from Scotch Rocks is BPA Free, Food Safe, and Dishwasher Safe.

For best results periodically clean the tray with a diluted solution of water and vinegar.
