

The logo features the text "Racquetball 101" in a bold, italicized blue font. The "101" is rendered in a large, black, 3D block font with a white outline. A thick blue horizontal line underlines the word "Racquetball". The entire text is set against a background of a racquetball, which is depicted with a grey grid pattern and a soft shadow.

## Racquetball Instructors:

**Our instructors get paid!!** How, you ask? It's simple. Racquetball101.com is being flooded with request for racquetball lessons from new players all across the country.

Our role is to find interested and committed 101 instructors to forward racquetball lesson request. Instructors earn money and make new friends in the process. Register now for your perspective state or zip code. This \$50 registration fee is per season not per new client, so once your lesson request start being sent to you, we keep sending them for a year. We'll also send you business cards to get started. Members of U.S.A Racquetball can be assigned racquetball lessons through Racquetball101.com easier. This service will pay for itself after your first set of lessons.

Since Racquetball101.com has gone live, there has been a remarkable increase of people who want to learn from successful, knowledgeable players. Our 101 instructors train the world how to play racquetball. We will hedge years off of learning through trial and error.

New players seem to feel more comfortable requesting lessons on-line and scheduling a meeting, rather than walking up to a top gun at their local club and asking for pointers.

If you are an Open Level Player or once were and interested in having lessons forwarded to you as a Racquetball101.com instructor, send us your request—It's not easy to be a 101 instructor, but if you are a male or female and are/were every ranked above one of us then we may already have a place for you. But, it's not just your skill set on the court. Your personality and player background off the court are just as big to us. Your request to be a Racquetball101.com instructor should be set to [Racquetball101.com@gmail.com](mailto:Racquetball101.com@gmail.com).

#### Website Content-

The home page should be our Go Shopping page, with a listing of our products. We would also like our other tabs to be listed on this page. Some type of animation in the introduction with “Be a Player” as the catch phrase would be good. Please include a shopping cart for purchases, links to pay-pal and links to the major search engines to assist with marketing.
