## Interlink Bluetooth Rechargeable Notebook Mouse White

Mfr: SMK  
FRYS.com #5748782

Model: VP6151  
UPC: 715262061514

The Interlink Rechargeable Bluetooth Notebook Mouse from SMK-Link is a fast-tracking, high-resolution, optical mouse with Bluetooth connectivity designed for Bluetooth-enabled Windows and Macintosh systems. Once the mouse is connected to the host computer it stays connected and the multiple RF channels ensures no interference. Offers up to 33-feet of reliable wireless transmission, the mouse is Earth-friendly with its in-use recharging capability via the included USB cable. No more disposable batteries and never lose productivity again. The compact and ambidextrous notebook mouse, designed for both right- and left-handed users, offers comfortable and ease of use whether you are traveling afar or just moving between your office, conference room and home.
